Bogidar Avramov, Music Director & Conductor

Born in Sofia, Bulgaria, the son of a prominent violinist, Maestro Avramov is Professor Emeritus at Loyola Marymount University where he was director of the instrumental program. He currently conducts the Beverly Hills Symphony. From the beginning of the Sierra Summer Festival and as founder of the Eastern Sierra Symphony Orchestra, he has brought professional symphonic music to Mammoth Lakes for 25 years.

About the Orchestra

In 1983, eighteen hardy pioneers playing Mozart began the tradition that is now the Eastern Sierra Symphony Orchestra. Classical music in the Eastern Sierra proved to be a huge success, and each succeeding year has seen steady growth in the number of players, excellence of the programs and enthusiasm for the orchestra. In 2001, the largest ensemble ever gathered for a week to rehearse and perform what is perhaps the world's greatest masterpiece, Beethoven's Ninth, the Choral Symphony. The orchestra's growth in numbers has been mirrored in the excellence of its playing and breadth of its repertoire. The lure of making music with Conductor Bogidar Avramov, the chance to retreat to a glorious mountain scene and the opportunity to renew friendships with other dedicated musicians are powerful incentives that keep players returning year after year to create music together in the Eastern Sierra.
